Conditions of Hire

1. BACKGROUND

The Huon Valley Hub exhibition space provides exhibition wall space and two glass display cabinets and provides opportunities for artists to share their work, and for regional communities to access exhibitions.

Huon Valley Council's Arts and Culture Program manages the space.

2. EXHIBITION SPACE FEES

Huon Valley Council (HVC) will continue to provide the space free of charge to artists to exhibit their works.

3. INSURANCE

While all due care will be taken with supplied items, HVC is not responsible for loss, theft, or damage. You are responsible for your own insurance cover of your exhibition content while on display in the Huon Valley Hub and in transit.

The Huon Valley Hub space hosts regular community events. You (the hirer) agree that HVC staff and members of the public may enter and exit premises during an exhibition. The Arts and Culture team at HVC will be available for questions or respond to needs that may arise during an exhibition and may check periodically with you (the hirer).

4. CLEANING AND REMOVAL OF RUBBISH

When finishing your exhibition, you are responsible for returning the Huon Valley Hub space to the same clean condition in which you received it.

5. INSTALLATION/DISMOUNT

It is your responsibility to install and dismount the exhibition.

The Huon Valley Hub comes with a gallery hanging system (Gallery@Home) for hanging art works. It has one wall space of 11 meters of hanging system, and one space of 6.6 meters. HVC provides strings and hooks. The space also has two glass display cabinets (lockable).

Because organisations and the community also use the internal Huon Valley Hub space, you may not be able to use plinths and other structures. Please talk to us about your ideas. You must use the existing hanging system to install your works. You cannot use screws, nails hooks or other fastenings.

You are not allowed to use glitter or foil. You can use Blu Tack tape on the walls or windows. You will be charged for any damage.

You must display your exhibition for the full period agreed. You must discuss any alterations to the space and obtain written permission from HVC staff before your exhibition.

Please be aware the Huon Valley Hub has no storage facility. We will not take responsibility for artworks that are not collected at the agreed collection time.

We encourage you to hold a public engagement activity when hiring the space. Examples of public engagement activities include:
