Mayor Invites Residents to Information Sessions

Huon Valley Council will begin this year's Community Information Sessions at Dover School Hall on Thursday, March 7 at 6:00pm.

These sessions allow members of the community to have their say and to let Council know what is important to them.

Mayor and Councillors will attend all five sessions along with the council's Executive Leadership Team giving everyone a chance to meet with them face to face.

Mayor Enders says all residents are invited to come along and get involved.

"Every township in the council area is unique and has its own specific needs and characteristics," she said.

"We want to hear from members of all of our communities so we can better understand what is important to them.

"This is just the first step in the process as we listen to what our communities need from us."

Another four information sessions will be held in coming weeks including:

- Geevston Community Hall – Thursday 14 March
- Huonville Town Hall – Tuesday 19 March
- Cygnet Town Hall – Thursday 28 March
- Ranelagh Hall – Tuesday 2 April

All forums will run from 6:00pm – 8:00pm.
