2017-18 Community Grants

The Cygnet Primary School, the Dover District School, Friends of Randalls Bay, Huon and Channel Meals on Wheels, Huon Valley Aquatic Club and the Tasmanian Trail Association.

These are just some of the successful projects to receive funding from the Huon Valley Council through its 2017-18 Community Grants program.

Huon Valley Council Commissioner Adriana Taylor said she was pleased to announce this year's recipients.

"The Community Grants have been awarded for the last 22 years. Many community activities, projects and events have been initiated and supported.

"These initiatives add vibrancy to our community and have given organisations opportunities to take part in community events, access to sporting equipment and opportunities to improve events and facilities throughout the Huon Valley.

"This year, we again had a difficult task in choosing which projects to support. Council received 33 applications. Of those, 12 were successful and more than \$18,000 has been awarded," Commissioner Taylor said.

The following organisations' grants were confirmed at the last Council meeting:

Cygnet Primary School - Playground Improvements

Dover Community Workshop Inc. - Storage shed shelving

Dover District School - Hall Furniture

Friends of Randalls Bay - Echo Sugarloaf Nature Trail Stage 2
