Community Grants now open

Applications for the Huon Valley Council's 2016-2017 Community Grants Program are now open.

The Council's Community Grants Program provides financial and in-kind assistance to support community facilities, projects, events and programs that have a clear community benefit or need.

Funds are provided for up to half of the project costs, to a maximum of \$3,000 per project for sporting, cultural and community organisations located within the Huon Valley.

During the scheme's 20 year history, many community activities, projects and events have been initiated and supported.

These initiatives have added vibrancy to our community and given people opportunities to take part in community events, access to sporting equipment and opportunities to improve attractions and facilities or carry out vital environmental work throughout the Huon Valley.

If your organisation or group is interested in applying, head to the Council's website, click on **Services and Facilities**. The Grants page is in the **My Community** section.

Please read the 2016-2017 Guidelines for Applications before completing your application. One funding round is offered each financial year.

APPLICATIONS CLOSE WEDNESDAY 20 APRIL 2016.
