# National Honour for Huon Valley Visitor Centre

Huon Valley Council would like to congratulate the team at the Huon Valley Visitor Centre for their recent award as part of the Bookeasy beSpotlight Awards.

The centre took out the World Wide Network Award for the highest number of bookings made through the Bookeasy Distribution Network across Australia and New Zealand for March.

Mayor Bec Enders said it reflects the huge effort and commitment that the team provides to support our tourism industry.

“This is fantastic recognition for the team,” Cr Enders said.

“This award has come so soon after the impact of the recent bushfire emergency.

“They have really gone above and beyond, helping the region get back on track.

“It’s a real credit to the entire team and something Council is extremely proud of.

“This award is recognition of the level of support they provide to the local and statewide tourism industry and the fantastic visitor experience they provide to our customers.

“I encourage everyone to pop in to the centre and congratulate our amazing team for their achievement.”

Bookeasy is a new integrated booking platform that was installed in the Centre in October last year. It provides access to a variety of products in an online booking environment.
